JIM MULLIN

## SCIENCE COUNCIL OF CANADA - AN OVERVIEW OF ITS ORIGINS AND PROGRAMME

The Science Council of Canada has been in existence as a policy advisory body since 1966. It's past, present and future role and programme will be reviewed.

Jim Mullin: since December 1971, Deputy Executive Director of the Science Council of Canada, responsible for internal operations and future planning. Previously Secretary of the Council (1967-71) and staff member of Atomic Energy of Canada Ltd., Chalk River (1962-67).
